VASCULAR  
INTERVENTIONAL  
SPECIALISTS

## SCHEDULED APPOINTMENT TIMES / NO-SHOW FEES

Given the overwhelming demand for care in our community, we encourage all patients to keep their appointments and arrive at the requested arrival time and location. As a courtesy to other patients, we reserve the right to reschedule your appointment if you arrive more than 15 minutes after your scheduled appointment time.

In the event you are unable to keep an appointment in which patient sedation is scheduled, 24-hour advance notice of cancelation is required.

Because specialty staffing is mandatory for any procedure requiring patient sedation, any visit not canceled or rescheduled with less than 24 hours' notice will be considered a "no show" and may be subject to a No-Show fee of \$250 to cover operational/staffing costs. Continued or repetitive no-shows will result in you being discharged and no longer eligible to receive procedural-based care at CORA Vascular Interventional Specialists.

Vascular Interventional Specialists of CORA maintains our obligation to patient safety and any patients arriving for sedation services who do not present with a designated driver will be denied sedation services. Under certain circumstances, this may be considered a canceled or no-show appointment and subject to the cancelation fee.

All patients who receive care at Vascular Interventional Specialists of CORA are expected to adhere to the Patient Responsibilities as stated in the posted Patient Rights and Responsibilities.
